I take this opportunity to remind you of the conditions for this award. This financial support is provided by ICA to pay some travel expenses only for "*Distinguished Speakers, Young Scientists and especially for Scientists from Developing Countries.*" This year the Board has particularly requested that the priority in funding support be given to Young Scientists. We ask that you include acknowledgement of the ICA sponsorship in your promotional material and in the proceedings of your meeting. The ICA logo is attached as a gif file for your use in this manner only. After your meeting please provide a 1-2 page summary meeting report and a financial report with a clear statement of how the sponsorship grant was allocated.

in order to arrange for the transfer of the funds from the ICA account please advise the ICA Treasurer, Prof. Hugo Fastl fastl@mmk.ei.tum.de of your bank details:

- Name and address (Street, City and Country) of the account holder
- Name and address (Street, City and Country) of the bank
